

NIGHTINGALE

Newsletter no7

We are ready to Rock Steady!

Our children rocked! We started the first Rocksteady classes this week. These weekly music lessons take place in school and are led by professional musicians who make learning music fun.

It's the perfect way to learn new musical skills, make friends and have a great time – all at school!

Rocksteady lessons are also shown to amplify confidence, wellbeing and social skills. Please speak to the school office for more details.

Meet and Make sessions at the Woolwich Centre, 10.30-12.30, weekly starting 5th February

Nurture UK

Nightingale has been working with Nurture UK and hopes to gain the Nurturing School award. Here is a little more information -

Nurture at Nightingale provides a warm, supportive environment where children's emotional wellbeing is at the heart of everything we do. Through whole class, small group and individual sessions, pupils are supported to develop confidence, resilience and positive relationships. The nurture philosophy helps children understand and manage their emotions, supporting them to feel safe, valued and ready to learn. By working closely with class teachers and families, Nurture at Nightingale ensures consistent support both in and out of the classroom, enabling pupils to thrive socially, emotionally and academically within the wider school community.
